2019 Annual Corporate Partner Package

Established in 1964, the Atlanta Press Club (APC) is one of the largest and most active professional journalism organizations in the country. More than half of our 500 members are working journalists. The balance is made up of journalism students, educators, government and nonprofit executives, and public relations professionals.

Our Mission

To serve the evolving professional, educational and social needs of our media community, foster journalistic excellence and advance the public's interest in and understanding of a free press.

Our Vision

To be the region's premier organization for journalists.

What We Do

- ❖ **Recognize Quality Journalism:** APC celebrates the best journalism of the year through our Awards of Excellence. The annual Hall of Fame dinner honors journalists for their lifetime achievements.
- ❖ **Educate the Public:** APC, in partnership with Georgia Humanities, is helping to educate the public on the role journalists play in a democracy and the responsibility of citizens when consuming the news by creating a guidebook and hosting a series of programs.
- ❖ **Support Future Journalists:** APC offers summer internships for journalism students by pairing them with many of Atlanta's top news organizations where they receive hands-on experience reporting. Our "Get the Scoop" program provides an opportunity for students to learn from working journalists about how to land their first job, how to pitch stories and how to network.
- ❖ **Facilitate Educational Programs:** APC hosts discussions throughout the year to help journalists do their jobs better, faster and with greater accuracy. Topics include current legislation, First Amendment law and tools to help them gather data for their reporting.
- ❖ **Provide Access:** Members and the public gain access to influential leaders from across the state and the country through our Newsmaker Luncheon series.

- ❖ **Foster Civil Discourse:** Through the Loudermilk-Young Debate Series, APC hosts statewide debates each election year helping the public make informed decisions when heading to the polls.
